

## **Quality Policy:**

Broadview is committed to providing industry-best customer service, on-time delivery, and product quality while also providing competitive prices and lead times.

Broadview is committed to improving its operation efficiencies in order to drive long term business sustainability, employee growth and satisfaction along with share-holder value.

Broadview will maintain and continuously improve its product and service offerings and the effectiveness of its quality management systems.

Broadview, in testament to these conditions, will maintain compliance to established standards and other applicable requirements.
