

## Sustainability Policy:

Broadview is committed to providing industry-best customer service, on-time delivery, and product quality while also providing competitive prices and lead times.

Broadview is committed to improving its operation efficiencies in order to drive long term business sustainability, environmental sustainability, employee growth and satisfaction along with share-holder value.

Broadview is committed to continually improving our effect on our environment through efficient operations, lowering our waste, recycling, reducing transportation need through effective video conferencing, using recycle materials where possible, and complying with all national and local laws relating to environment, safety and health.

Broadview's corporate vision statement includes *"promotion of the efficient use of resources to benefit all people and our planet in each of our services."*
